EXCEPTIONS

For each exception, the bidder must identify the specific section of specifications by providing the number and title the exception applies to. It is the responsibility of the bidder to document the equivalence claim in writing. Submitting product brochures is not an acceptable claim of equivalence.

(IF NONE SO STATE)

All requirements are met, with 2 variances. We have supplied a detailed table that lists your required specifications alongside the specifications of the unit we have proposed. The table is color coded and keyed to make it easy see where our proposed unit exceeds your requirements, where it meets (or matches) your requirement, and where it meets but with slight variance to your requirements. This table is found on page 6 of our response.
