

Upcoming Educational Session

Preparing for Your First Pediatrician Appointment

Wednesday, April 30th

2pm to 3pm

Via Zoom

This presentation will guide new parents through preparing for their baby's first visit to the pediatrician. We'll cover what to expect and how to ask the right questions to ensure your baby's health and well-being. Whether it's your first baby or just your first pediatrician visit, you'll leave feeling confident and ready!
