

THE FARMER MARKET CHICKEN

Hello everyone! My name is Henrietta the Chicken!

I love hitting the slopes during the chilly winter months and playing pickleball around Somerset County in the summer. You might also spot me horseback riding on our beautiful local farms or enjoying fresh, local foods from our farmers markets. Want to follow along on more of my adventures? Check out our Market Map and scan the QR code to learn more about me and the amazing farmers markets here in Somerset County!
